You Feel Snug and Comfortable Around Your Walst Line After

It Pays to Buy Skinner's Guaranteed Satin and Skinner's Pure Dye Taffeta Silks

SKINNER'S SATIN is worn by millions to-day, because for fifty-eight years it has been acknowledged to be the most durable Satin made, and because it is guaranteed to wear two seasons, whether in Waists, Gowns or Linings.

SKINNER'S PURE DYE TAFFETA will wear four times as long as the ordinary Taffeta. Would you pay Four Dollars for One Dollar's worth of goods? That is what you are doing when you buy ordinary Taffeta in preference to SKINNER'S.

SKINNER'S is the acknowledged standard of perfection in quality. When your dealer says, "Just as good as SKIN-NER'S," he means as good as the best; then why not buy SKINNER'S and get the best?

SKINNER'S always has the name woven in every inch of the selvage; this has become necessary to protect ourselves as well as our patrons. If it is not there, you are not getting SKINNER'S goods.

Those Beautiful Plaid Silks have arrived, and will go at 58c. The Handsome Plaid Silks we were looking for have also been received, and have been placed on sale at 98c.
